Statement of Christian Mission

Baptist Educational Center's Christian School

The ministry of the Baptist Education Center is an integral part of the Christian emphases and is a witness and ministry of the churches affiliated with the New River Baptist Association. Nurturing children has been an objective of Christian ministry since Jesus told his disciples, Suffer the little children to come unto me, and is the heart of our mission effort. It reflects our desire to evangelize, disciple and serve our community. It is our intent to teach children the Scriptures in a way which will better able them to know the love of God in their lives, to enable their physical, emotional, mental, intellectual, and spiritual growth and to assist parents in fulfilling their duties in raising their children in the fear and admonition of the Lord.

Therefore, all employees of the Baptist Education Center are members of the ministry team of the New River Baptist Association and are expected to engage in Christian witness and to exercise their spiritual gifts under the Lordship of Christ. While we do not require staff to be members of churches affiliated with the New River Baptist Association, we do expect all staff members to be Christians and to be active in their attendance of a church which embodies the principles of the Baptist Education Center.

Do you share the Christian faith and commitment of the Baptist Education Center and are you to model your teaching and conduct in accordance to Biblical principles? Yes ___ No ___
